

Early Years Education System

Newsletter – December

Early Years Education System is not only a Daycare, but a complete child development program. Through this unique educational program, we are committed to make your child's base strong. We strive to achieve this by enhancing basic learning skills and capabilities of each of our children

Tip of the Month

DISCIPLINE IS ABOUT TEACHING CHILDREN TO BEHAVE WELL DESPITE THEIR PROBLEMS, NOT EXCUSING THEIR BEHAVIOR BECAUSE OF THEIR PROBLEMS.

Note:

1. Please let us know about your vacation plans and what days your child will be absent from the daycare.

2. It is important that you let us know if you change your phone no. and/or address.

3. Last month we bid farewell to Safia. We welcome our new addition Joy.

During the month of December we will review the activities and contents of the last two months (as described in the last two newsletters). Additionally, the sound and recognition of the first four alphabets will be covered. We will continue studying some common things that begin with these four letters as well as to recognize the first letter of their names. We are going to explore the four colors (Red, Green, Blue, Yellow) and identifying the shapes (circle, square, triangle).

Counting and sorting 1-3, counting number of children, sorting and ordering objects. A new topic about 5 senses is also included in this month.

We will continue talking about the basic family structure.

Nursery rhymes and familiar songs based on numbers (1-10), letters and body parts will be covered in the daily circle time.
