

Early Years Education System

Newsletter – January

Early Years Education System is not only a Daycare, but a complete child development program. Through this unique educational program, we are committed to make your child's base strong. We strive to achieve this by enhancing basic learning skills and capabilities of each of our children

Tip of the Month

CHILDREN LEARN FAR MORE FROM CORRECTION THAN FROM PUNISHMENT.

DISCIPLINE COMES BEST FROM THE HEART, NOT THE HAND.

Note:

1. *Thank you for all your good wishes and thoughtful gifts. May the New Year bring all of you good health and happiness.*

2. *This month we will bid farewell to Ethan. It has been a pleasure to care for him. We will miss him.*

We welcome Matt as he is back from China.

I would like to take this opportunity to wish all my children and their families “A Happy and Healthy New Year.” I enjoy working with all your children and I look forward to continue watching them grow and learn in the New Year. The children have been learning all about senses and this month we will continue learning these 5 senses. Please talk to your child about each sense and their use. In language, this month the children will learn one more letter from the letterland alphabet – A, B, C, D and E. The children should be able to tell you the sounds that these letter makes and a few words that starts with each letter. In math, counting and sorting toys 1-5. This month's shapes will be rectangle and diamond.
