

Early Years Education System

Newsletter – November

Early Years Education System is not only a daycare but a complete child development program. Through this unique educational program, we are committed to make your child's base strong. We strive to achieve this by enhancing basic learning skills and capabilities of each of our children

Note:

- 1. Please let us know if your child has been vaccinated for H1N1 flu. If they are sick please keep them at home. We are taking all the possible precautions at our end.*
- 2. Last month we bid farewell to Xavier and Darius. We welcome our new addition Alvin.*

This month's theme based program with emphasis on Literacy and Numeracy is All About Me (and my family). In this activity we plan to demonstrate and help the children to understand about the basic structure of the family. Since children grasp ideas more easily and effectively during educational program that is integrated, which enables them to connect their learning to their own lives and the world around them.

This month we will add the third letter of the alphabet in continuation with the first two letters. We will continue studying some common things that begin with these three letters so they can relate to a particular letter upon seeing things. Also, we are going to teach them to recognize the first letter of their name.

In math we will focus on numbers 1, 2, and 3. This month's shape will be square and triangle. This month's colour schedule is as follows:

Blue Week – Nov. 2 - 13
Green Week – Nov. 16 - 30

We will also cover numbers, letters and body parts in our daily circle time.

Schedule

9:00 am – Breakfast (Cereal, Fruits)

9:30 am – Circle Time

10:00 am – Independent Play Time with Educational Toys with full Supervision.
